## INSTRUCTIONS

### Critical Illness Claim

Please complete the Policyholder/Claimant's Information section and attach a copy of the claimant's birth certificate. If additional space is needed to include all names of doctors or hospitals in attendance, please attach a separate piece of paper for your additional listings. Please read the authorization section and sign in the space provided. The authorization will help us obtain any additional information needed to complete our processing of your claim. Failure to sign the authorization will delay the processing of your claim. Have your attending physician complete the section on the reverse side of the form that corresponds to the specific critical illness for which the claim is being made. If you are filing for cancer under the critical illness plan, please attach the pathology report that confirms the diagnosis.

### Health Screening Claim
